

Chicago City Directories

(These notes are transcribed from the Chicago City Directories. In addition to my own transcription, Donna Marie transcribed many of the items. Each directory lists slightly different things. On most of the entries we've tried to replicate the wording, punctuation, and spacing. In many cases we transcribed multiple entries for the same name – the bottom line is that we didn't know which one was correct, but hope to in the future!)

1860-61

Donohue John lab h 124 W. Harrison
Donohue Michael, bookbinder, bds 124 W. Harrison
